Can you let me know what dates/times work and the latest time for each day—no earlier than noon though—between April 30-May 8?

Thanks, Allison.

It was before we conditionally approved their program on Jan. 13, 1998. I'd have to dig through our old OR files to see if there are any records of comments. I have a vague recollection from responding to the first NWEA FOIA that we may have received a few comments about our proposed conditional approval but I don't think we received many. Will have to check.

Allison,

Some time ago, you mentioned that the federal agencies invited public comment on the additional measures (for forestry) for Oregon.

Do you recall when that was and/or whether we might be able to locate those comments?

Thanks,

Steve
